

WHAT WE'LL COVER IN CONCEALED CARRY CLASS:

- The rules of firearm safety.
- The proper transport and storage of your firearm.
- Identification of various types of handguns, and ammunition.
- The safe handling of your firearm, including loading, unloading, and clearing a firearm (checking to be sure it is unloaded).
- Handgun fundamentals, and the safe drawing and presentation of your firearm.
- The safe cleaning of your firearm.
- All applicable State and Federal laws relevant to your CCW.
- Dry fire instruction and practice.
- Range Safety procedures.
- Live fire instruction, practice, and qualification.
- Additional concerns, real-world tactics and concealment applications.
- For the official list of requirements and the procedure for obtaining your Illinois Concealed Carry License, please visit the Illinois State Police site at:
<https://ispfsb.com>

CLASSES:

3-Hour IL Concealed Carry Renewal Class: \$50

3-Hour Tactical Pistol Class: \$50

16-Hour IL Concealed Carry Class \$200

Note: \$25 discount for IL Hunter Safety; \$50 discount for Current or Former Military (proof must be provided in class).

WHAT TO BRING:

Concealed Carry and Tactical Pistol Classes-- Your Concealed Carry firearm (cased and unloaded); belt, a holster made for your firearm, and at least 2 magazines; ear and eye protection, appropriate shoes and clothing for the weather; 100 rounds of factory ammunition for the 3-Hour classes, and 200-250 rounds for the 16-Hour class (no ammo is allowed in the building—leave it in your vehicle).

Active Shooter Classes for Civilians-- Nothing is needed except comfortable clothing and clean shoes. No weapons are allowed in the classroom.

TESTIMONIALS:

“As a member of the Armed Forces and student at the United States Naval Academy, I can say without reservation Tom’s professionalism, instruction, and emphasis on safety is unmatched. Both my comfort and ability with firearms increased as a result of this class.” -Austin M.

“This class places such a huge emphasis on safety and repetition that the student is ready and equipped to carry their weapon intelligently in real world situations. After completing the class, I was confident in my abilities to safely handle and carry a firearm for everyday use.” -Alyssa H.

“Tom’s class exceeded my expectations. I felt the class is built to fit ALL experience levels, from skilled to unskilled. His background of martial arts, law enforcement, and tactical shooting brought the class to life!” -Johnathon M.

“if you are looking for a CCW class with high quality and intense training, you will not be disappointed with the class taught by Tom Dolan. His strict adherence to safety rules and the handling of small firearms is unmatched in the area. -Jon D.

“I felt like Tom’s class gave years of education experience and hand-on training with your own weapon.” -Jason B.

“It is clear from the class that Tom has an extensive background in shooting AND teaching. Tom has a lot to offer experienced and beginner shooters alike!” -Austin M.

“Tom brought the class to life with his outstanding abilities as an instructor.” -Jeff P.
